

LEGEND

- Mapped forest outline
- 20-foot elevation contours
- 100-foot index contours
- Mapped waterways
- Roads / vehicle routes
- Walking trails

SCALE 1:19,000

Scale valid at 100% on 17 × 11 in paper.

MAP REFERENCE

WGS 84 / UTM zone 18N (EPSG:32618). Edge ticks show easting and northing in meters. North arrow indicates true north.

Extent: full forest outline used by forest.kernan.tech. Map center: 42.51° N, 74.76° W.

Contour elevations are in feet as supplied; vertical datum is not documented in the source dataset.

Sources: Charlotte Forest supplied boundary, stand and waterway GIS; field routes/places: 18 July 2026 dataset. Contours: supplied property terrain dataset.

Mapped outline is a planning reference, not a cadastral survey or an identified grant/easement project boundary. No proposed project area is depicted.
